<p&gt;A Single bet consists of 1 selection that must win for you to be sure o
f making a profit.</p&gt;
<p&qť;&lt;/p&gt;
<p&gt;A selection&#127783; , that is backed each way may be profitable even if
it doesn t win, but it must finish within the qualifying 🌧 , positions di
ctated by the place terms. To return a profit from just the place part of an eac
h way bet,🌧 , the odds of the placed selection must be above evens after
the place fraction has been applied. For example, if $\%\pi$127783; , the terms are 3 p
laces at 1/5 odds, the total return will exceed the total stake for a selection
finishing🌧 , 2nd or 3rd, only if the win odds are over 5/1.</p&gt;
<p&gt;&lt;/p&gt;
<p&gt;The Single Bet Calculator allows you to calculate the combined&#127783;
, stake, return and profit for up to 20 Singles at a time, with a comprehensive
range of options and settings.</p&gt;
